Semi-Flush

With authentic wood accents and tapered square silhouettes, Teagan is the epitome of contemporary rustic charm. Offered with two genuine wood finish options; a light Gray Harbor Wood and a red Rustic Oak finish, this collection is perfect for traditional to modern decors. The lightly textured Natural Black finish on the frame is versatile and contrasts the lighter wood stains. The Teagan Collection enhances the casual elegance of country cottage and modern farmhouse styles. This semi-flush can be mounted close-to-ceiling.
