1 Light Articulating Wall Sconce

Functional design inspired by modern style, Rey is a prime choice. Pivoting, parallel arms sweep and connect two industrial-inspired lock pins. A wide round shade elegantly drops from the top of Rey's arm. Moving arms and shade can be adjusted for style and task lighting. Series offers two installation options: Plug-in or Hardwire. Available in a choice-selection of finish and shade color combinations. Shade interior is painted an Aged Brass finish. Articulating arms can be locked in place for style and function.
